REVIEW OF OPERATIONS: COVID-19 is the most tumultuous, most catastrophic and the most defining epoch of our lifetime. With no precedence, it has rattled lives and economies across the world, and India has not been spared either. The year that started with weak demand owing to slow-down in real estate, industrial and infrastructure segments along with liquidity squeeze, ended with the global economy coming to an indeterminate standstill following the outbreak of COVID-19. Furthermore, the Government's decision to put the country into full lockdown during the latter phase of the fourth quarter had a major impact on the Company. Regardless of the challenging economic environment your company still managed to do best. The gross revenue of the company during the year stands at Rs. 351.17 Lacs as against Rs. 590.24 Lacs in the previous year. The Profit/Loss before tax during the year stands at Rs. -265.81 Lacs as against profit/Loss of Rs. -728.17 Lacs during the previous year. The profit/loss after tax during the year is Rs. -265.81 Lacs as against Rs 728.17 Lacs in the previous year. Company is coming up with new plans, designs & strategies for greater consumer acceptance of the company's products & increased profitability in the near future.

MANAGEMENT DISCUSSION & ANALYSIS

COMPANY OVERVIEW: Seasons Furnishings Limited (SFL) was incorporated on 16th February, 1990 and promoted by Late Shri Nanak Singh Wadhwa, Shri Inderjeet Singh Wadhwa, and Shri Mandeep Singh Wadhwa. SFL is one of the pioneer companies in organized sector which market exclusively designed furnishing fabric, made-ups and life style products to institutional as well as retail customers. The Company not only sells products but sell a concept to sell its products. The Company is regularly participating in fairs and exhibitions to keep itself abreast with the latest trends and customers' taste as also to showcase its products. Besides, the Company has its own Design Studio, continuously engaged in creating new and innovative designs. The in-house Design Studio help the company to market its exclusively designed products. Every care is made to provide quality products, service and excellent ambience at all Seasons' outlets.

INDUSTRY STRUCTURE & DEVELOPMENTS: The Textile Industry in India is one of the largest segments of the Indian economy. It provides direct employment to many million people.

Indian home furnishings manufacturers and home furnishings exporters offers a spectacular range of bedspreads, furnishing fabrics, curtains, rugs, durries, carpets, cushion covers, table covers, linen, kitchen accessories, made-ups, bath linen, and other home furnishings accessories to the nation as well as to the world. Manufacturers of Home Furnishings from India, e.g. floor coverings, kitchen linen, bath linen, cushion covers, bed spreads, and curtains, etc. create a rage in the international markets.

With the increasing textile industry in the country, the furnishing fabric market will also continue to flourish. The home furnishing market is anticipated to witness huge demand with the booming real-estate projects like hotels, hospitals, commercial and big residential apartments.

OPPORTUNITIES & THREATS

- Tremendous boom in retail as a result of change in consumption pattern and private incomes.
- More and more shifting of the customer towards branded products.
- Growing real-estate projects is expected to bring more demand in the market for furnishing fabric and related products;
- Increased disposable income, especially among the middle class along with the already existing high-end customers will fuel the retail boom.
- Our priority categories of product range are expected to continue to witness healthy growth.

However, consumer demand could get impacted due to inflationary pressure as the products of our company form a part of discretionary spend basket. Fluctuation in the foreign exchange may further affect the prices for the products. There is always a cheap competition in the market from the unorganized sector in the same business.

OUTLOOK: India is one of the leading producers and exporters of home furnishings from bed, bath, and kitchen linen to window dressing, carpets and rugs. The industry is witnessing all-round growth in the global scenario, which is coupled with gradual rise in demand in the housing and infrastructure. Changing life styles and people's acumen to opt for sophisticated standards are the key factors in its growth pattern too. These factors will help the Company to achieve its projected growth for the future. The Company's continued thrust in retail segment and to extend its reach to the untapped segments has helped in achieving its long-term goals which will lead the Company to the consolidation phase later. The Company's expansion plans in the retail foray will greatly help the Company to improve margins, overall return on the capital and eventually shareholders value.

The Company remains apprehensive about possible changes in government policies, which will help to control the inflation affecting the purchasing power of consumers. Foreign exchange volatility is expected to be under control resulting in reduction in the prices of raw materials and finished goods. Market volatility and fluctuating prices of materials are key concerns, which are to be addressed appropriately at crucial stages to ensure projected growth.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY: The Company has suitable and adequate system of Internal Control commensurate to its size and nature of operations primarily to ensure that - the assets are safeguarded against loss from unauthorized use or disposition; the transactions are authorised, recorded and reported correctly and the Code of conduct, Policies and applicable statutes are duly complied with.

The Company has established a methodical system of Annual Budgeting and Management Information System (MIS). In addition, administrative and HR activities of the Company are also brought within this purview. The financial results of the Company are reviewed by the Audit Committee every quarter. The composition and role of Audit Committee can be found in the Corporate Governance Report in the Annual Report.

The Company has appointed Internal Auditor to examine the adequacy, relevance and effectiveness of Internal Control Systems. The Top Management and the Audit Committee of the Board review the findings and recommendations of the internal auditor.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED: Company has acquired fresh talent during the year for some of the critical leadership positions based on business requirements.

As on March 31, 2020 the company had 29 permanent employees. The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them.

RISK AND CONCERNS: In every business activity, risk is inherent and your management is aware about the risk related to the business activity of your Company. Your Company is having a well-defined Risk Management Policy to identify major risks and their timely mitigation to protect the present and future performance of the company. The risks are broadly classified as market led business risk, risk related to foreign exchange, financial risk, change in trends and designs. The working capital management also received its due attention to reduce rising interest cost.

MARKET RELATED RISK: As far as domestic market is concerned your Company is operating in a highly competitive environment both from big and organized sector as well as from small unorganized sector. However, we follow the stringent checks on quality and this help us to maintain consistency in the quality of all our products. The Company is hopeful that by constantly bringing in new designs, collections and with new concepts through innovation and employing new marketing strategies will greatly help it in mitigating the adverse impact apprehended.

FOREIGN EXCHANGE: With respect to foreign exchange exposures, following steps are being taken to limit the risk of adverse exchange rate movement:

- a) In respect of export sales, in case we are able to predict the foreign exchange fluctuation trends, we determine our price accordingly and
- b) In respect of import of capital goods, whenever we make a contract, the liability is frozen keeping in view the future position of foreign exchange fluctuation.

GOVERNMENT POLICY: The Company remains apprehensive about possible changes in government policies, which might adversely affect the purchasing power of consumers. Market volatility and fluctuating prices of materials are key concerns, which are to be addressed appropriately at crucial stages to ensure projected growth. Adopting suitable strategies depending upon the nature of change so as to retain the market share and profit margin could minimise adverse impact of change in Government policies and fiscal measures.

CAUTIONARY STATEMENT: The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors. The discussion and analysis must be read in conjunction with the Company's financial statements and notes on accounts.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SEASONS
FURNISHINGS LIMITED**

Report on the Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **SEASONS FURNISHINGS LIMITED** ("the company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including other comprehensive income), Statement of Cash Flows and the statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information. (collectively referred to as "Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 with respect to preparation of these Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) prescribed under Section 133 of The Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks,

and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016, ("the order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we enclose in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flow and Statement of changes in equity dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified in Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate report in “Annexure B”; and
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any material foreseeable losses on long term contracts including derivatives contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE- B TO THE AUDITORS REPORT OF THE EVEN DATE ON THE IND AS FINANCIAL STATEMENTS OF SEASONS FURNISHINGS LIMITED FOR THE YEAR ENDED 31ST MARCH, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Seasons Furnishings Limited (“the Company”) as of 31 March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SEASONS FURNISHING LTD
NOTES FORMING PART OF FINANCIAL STATEMENTS

NOTE 1: CORPORATE INFORMATION

Seasons Furnishing Limited is a listed public Company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company is engaged in the Trading of Furnishing Fabrics and other Lifestyle Products.

NOTE 2 -: SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements:

The Financial Statements have been prepared under the historical cost convention on accrual method of accounting, in accordance with, the Indian Accounting Standards (Ind As) and the relevant provisions of the Companies Act, 2013. The Ind As are prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

B. Statement of Compliance:

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015.

C. Use of Estimates:

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses during the reporting period. Although such estimates and assumptions are made on a reasonable and prudent basis taking into account all available information, actual results could differ from these estimates & assumptions and such differences are recognized in the period in which the results are crystallized.

D. Property, Plant & Equipment:

All Property, Plant & Equipment are capitalized at cost inclusive of installation and directly attributable expenses.

Property, Plant & Equipment is stated at cost. Cost includes interest on borrowed capital used for construction of fixed assets and of expenditure incurred during the construction period on a fair and reasonable basis.

E. Intangible Assets

Intangible Assets are stated at cost of acquisition less accumulated amortization.

F. Depreciation/ Amortisation

Depreciation on Property, Plant & Equipment has been charged on straight line method and provided over the useful life of the assets based on the useful life for the tangible assets prescribed under Schedule II of Companies Act, 2013.

The cost of Intangible assets is amortized over a period of fifteen years the estimated economic useful life of the assets.

G. Inventories

Inventories are valued at lower of cost and net realizable value as estimated by the management. Cost comprises of all cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. The principles of First in first out have been used in the valuation of Inventories.

H. Foreign Currency Transactions and Translations:

The functional currency of the Company is Indian Rupees. These financial statements are presented in Indian Rupees. Foreign currency monetary items are translated using the closing rate at the end of each reporting period. Non monetary items that are measured in terms of historical cost in foreign currency are translated using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the statement of profit and loss in the period in which they arise.

I. Revenue Recognition

Revenue recognition have been adhered based upon the principles of Ind AS 18. Based on the principles as mentioned in the standards, following have been adhered:

1) Consignment Sales

The consignment sales have been accounted for on sales effected by the consignee.

2) Other Sales

Sales are accounted for net of GST. Sale of products are recognized on transfer of property in goods as per agreed terms.

3) Other Incomes

All income items in all material aspects having bearing on the financial statement are recognized on accrual basis.

J. Provisions, Contingent Liabilities and Contingent Assets:

For the provisions, contingent liabilities and contingent assets, provisions of Ind AS 37 have been adhered. A provision is recognized when the company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on management estimate required to settle the obligation at the balance sheet date and are not discounted to present value. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. Contingent Assets are also disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

K. Employees' Benefits

1) Short Term Employee Benefits:-

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the Profit & Loss account of the year in which the related service is rendered.

2) Post Employment Benefits:-

(a) Defined Contribution Plan:

The Employer's contribution to the Provident Fund and Pension Scheme, a defined contribution plan is made in accordance with the Provident Fund Act, 1952 read with the Employees Pension Scheme, 1995.

(b) Defined Benefit Plan:

The liability for gratuity is provided through a policy taken from Life Insurance Corporation of India (LIC) by an approved trust formed for that purpose. The present value of the company's obligation is determined on the basis of actuarial valuation at the year end and the fair value of plan assets is reduced from the gross obligations under the gratuity scheme to recognize the obligation on a net basis.

L. Taxation

- (a) Provision for current tax is made and retained in the accounts on the basis of estimated tax liability as per the applicable provisions of the Income Tax Act, 1961.

- (b) Deferred tax assets and liability are recognized for timing differences, using the balance sheet approach, based on tax rates that have been enacted or substantively enacted by the Balance Sheet date. Where there are unabsorbed depreciation or carry forward losses, Deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Other deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Ind AS 12 principles have been adhered on the calculation of deferred taxes using the Balance sheet approach and the same are accounted in the non-current assets/ liabilities depending upon the workings on the amounts provided.

M. Borrowing Costs

Borrowing costs that are attributable to the acquisition of or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

N. Impairment of Assets:

Intangible Assets and property, plant & equipment

Intangible assets and property, plant & equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such case, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

Financial Assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair value through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

O. Earning Per Share

The earnings considered in ascertaining the Company's EPS comprises of net profit after tax. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the period. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless the effect of the potential dilutive share is anti-dilutive.

P. Fair Value Measurement:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market price in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3- Valuation techniques for which the lower level input that is significant to the fair value measurement is Unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis , Seasons Furnishings Ltd. determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period or each case.

For the purpose of fair value disclosure, Seasons Furnishings Ltd. has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, significant estimates and assumption
- Quantitative disclosures of fair value measurement hierarchy

Q. Current versus non-current classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- (a) expected to be realised in, or is intended to be sold or consumed in normal operating cycle;
- (b) held primarily for the purpose of being traded;
- (c) expected to be realised within 12 months after the reporting date; or
- (d) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A Liability is current when:

- (e) it is expected to be settled in normal operating cycle;
- (f) it is held primarily for the purpose of being traded;
- (g) it is due to be settled within 12 months after the reporting date; or
- (h) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company has identified twelve months as its operating cycle.

R. Risk Management and disclosures :

In compliance with Ind AS 107 with regard to disclosures - The nature and extent of risks arising from financial instruments to which Seasons Furnishings Limited is exposed during the period and at the end of the reporting period, and how Seasons Furnishings Limited is managing these risks.

i) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including loans/advances etc given to employees.

ii) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

iii) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk:

1. Currency rate risk,
2. Interest rate risk and
3. Other price risks, such as equity price risk and commodity risk.

Financial instruments affected by market risk include loans and borrowings, deposits and investments.

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The company is into import as well and there are risks in relation to foreign currency exposure for the un-hedged portion.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Environment:-The Company operates in a market oriented environment. There is a stiff competition from various players in the domestic and international market as well.

Any variation in prices of material, interest rate, currency exchange rate variations and other price risk variations impact the profitability of the company.

Management of those Risks (mitigants)-

1. The Company extends credit to customers in normal course of business. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored and any expected losses are provided for as well.
2. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are mainly Distributors and exports and the past track records do not envisage any defaults on the payments seen so far and all payments are either through LC or through secured payments.
3. The Company does not envisage either impairment in the value of receivables from customers or loss due to time value of money due to delay in realization of trade receivables.
4. However, the Company assesses outstanding trade receivables on an ongoing basis considering changes in operating results and payment behavior and provides for expected credit loss on case-to-case basis.
5. As at the reporting date, company does not envisage any default risk on account of non-realization of trade receivables.
